

Non-Disclosure Agreement (NDA)

This Non-Disclosure Agreement is made as of **[23/12/2024]**, by and between **Xpo Media** and **JK Global IT Solutions**. Both parties agree to keep all information related to the **Web-Based School Management System**, including the use of **React.js** for the front end, **Firestore** as the database, and a **Node.js** backend, confidential and use it only for project purposes. Confidential Information excludes information that becomes public through no fault of the receiving party or was already known before disclosure.

JK Global IT Solutions will securely manage the software and project data, ensuring its confidentiality with industry-standard security measures. The developers will take full responsibility for safeguarding the data throughout the development process. However, the Service Provider is not liable for any issues arising after project delivery or deployment. The Client is responsible for verifying all deliverables before final approval. This Agreement is governed by the laws of Tamil Nadu, India, and represents the entire agreement between the parties.
