Non-Disclosure Agreement (NDA)

This Non-Disclosure Agreement is made as of **[23/12/2024]**, by and between **Y Spot** and **JK Global IT Solutions**. Both parties agree to keep all information related to the **YSPOT Room Booking** project confidential and use it only for project purposes. This project encompasses a mobile App built with **Flutter technology**, a Web interface developed using **React.js**, and an Admin Side Integration, with the backend powered by **Node.js** and database management using **Firebase.**

Confidential Information excludes information that becomes public through no fault of the receiving party or was already known before disclosure.

JK Global IT Solutions will securely manage the software and project data for the Flutter-based mobile app, React.js web interface, and admin side integration, utilizing Node.js server architecture and Firebase real-time database, ensuring its confidentiality with industry-standard security measures. However, the Service Provider is not liable for any issues arising after project delivery or deployment. The Client is responsible for verifying all deliverables before final approval. This Agreement is governed by the laws of Tamil Nadu, India, and represents the entire agreement between the parties.
